Located in the North-Atlantic ocean close by the Arctic Circle, Iceland is very much a bridge between continents, North America and Europe.

Iceland is a country of sharp contrasts, defined by its dramatic landscape with volcanoes, geysers, hot springs and lava fields. A place where dark winters are offset by the summer’s midnight sun. Where the summers are warm, lush and green, and the winters surprisingly mild.

Iceland’s culture is rich and vibrant, shaped by isolation and the extreme forces of nature. These conditions have created a resilient people, close family ties, strong sense of tradition and a tight bond with nature.

Join us for a memorable trip to the land where fire and ice co-exist.

Travelers have been coming to the land of Israel to be inspired, refreshed, and renewed. It is an enriching experience and home to many sacred and religious sites.

Jerusalem, the Holy City, has been revered for centuries by Jews, Christians and Muslims. Haifa, home to the world headquarters of the Bahai religion boasts a majestic shrine atop Mt. Carmel; Safed, home to the mystical/spiritual part of Judaism (kabbalah) with its winding cobblestone streets and ancient graves of holy men will amaze, as well as Tiberias on the Sea of Galilee with its peaceful churches and the holy city of Nazareth, both reminders of Jesus’ life and ministry.

Israel is for everyone — young, old, singles, couples and families. It is the land of all peoples, an exhilarating blend of ancient and contemporary that you will never forget.
