

Athenian Escape®

5 Days from \$534-Land Only, 4 Nights Athens

Street in Athens

Athens is a modern, energetic Mediterranean metropolis highly recognized for its unique place in history. No other city offers as much heritage, history and culture to enjoy. Spend your time at leisure, visit its many museums and galleries, shop at its fashionable district of Kolonaki full of boutiques and outside cafes. Have lunch at one of many seaside restaurants of Microlimano or dine at one of the little tavernas of Plaka overlooking the Acropolis. We urge you to take advantage of the many optional excursions to visit beautiful and historic places outside of Athens. Perhaps a one-day cruise around the three nearby islands, an excursion to Delphi, the ancient center of the world, an afternoon visit to Cape Sounion to watch the amazing colors of the sunset from the temple of Poseidon or rent a car and drive to one of the many beautiful beaches of the Athenian Riviera, the choice is yours. However you decide to spend your time, you are sure to return home with wonderful memories of friendly people, fine cuisine and fascinating sites.

Athenian Escape is especially designed to offer travelers the freedom of creating their vacation as they like, starting always from the city of Athens, which has so much to offer and where it all began. For a more in-depth experience, we recommend you to extend your stay in Greece to visit other areas of this

fascinating country, such as Vouliagmeni on the Athenian Riviera, the seaside town of Nafplion, the one-of-a-kind luxurious resort of Costa Navarino on the Peloponnese and the northern city of Thessaloniki. For a truly unique vacation, you can also opt to visit other nearby countries with stays in Cyprus, Rome, Cairo, Istanbul, and Israel & the Holy Land. All of these extensions can be found on pages 45-48.
