DAY 2 – ARRIVE ROME

You'll meet the guide that will lead you back to the glory days of the Roman Empire. You will travel back to the time of the gladiators and wander through the ruins of Rome. You will visit the Colosseum, as well as Forum Romanum and Piazza Venezia. (B)

DAY 3 – ROME

Today we visit St. Peter's Basilica, the largest church in the Christian world with its precious adornments. In the afternoon, enjoy a visit to the Vatican Museums. The Raphael Rooms and the world-famous Sistine Chapel are also included. In the afternoon we still have time for an espresso or pizza at one of the local restaurants. (B)

DAY 4 – ROME / NAPLES / POMPEII / SORRENTO

After leaving Rome, we visit Pompeii, the city destroyed in antiquity by the devastating eruption of Mt. Vesuvius. The size of the ruins set amidst an idyllic landscape convey a lovely impression of what the city must have looked like during the period of the Roman Empire. The tour continues through Italy discovering Naples: the capital of Campania is an experience of a unique nature. During a city tour you will see the most important sights like the Castel Nuovo, Palazzo Reale and much more. In the evening we reach the famous resort of Sorrento. (B)

DAY 5 – SORRENTO / AMALFI COAST

Drive along one of the world's most beautiful coastal roads as it winds along the steep rock faces over Positano to Amalfi. After a photo-stop in Positano, reach Amalfi's little alleyways and narrow lanes hosting many shops and the famous "paradise cloister." On the way, you enjoy a limoncello tasting. (B)

DAY 6 – SORRENTO

We spent the day at leisure, simply enjoying the relaxing views or taking a stroll and shopping at the local markets. (B)

DAY 7 – SORRENTO / CAPRI EXCURSION (OPTIONAL)

During another day of relaxation we suggest the visit to the magical island of Capri. (B)
