ATTENTION AIR-INCLUSIVE TOUR PASSENGERS PAYING A TRIP DEPOSIT: Tickets for published airfares are issued at the time of booking and accordingly, must be paid for at this time. Most negotiated fares are not required to be issued at the time of booking, however, we recommend that you pay for them with your deposit, as the airlines reserve the right to implement increases in taxes and/or fuel surcharges up until the time of issuance. By allowing us to issue these tickets at the time of booking, you avoid the potential for an increase in taxes and/or fuel surcharges that may be implemented by the airline at any time before your final payment (and corresponding ticket issuance).

Passengers opting not to pay for airfare with deposit: Please check the "I AGREE" box and sign below, including today's date in the following boxes to confirm that you are not paying in full for your airfare at this time and consent to pay an increase if it is implemented by the airline before your payment
