\$1 MILLION TRAVELERS ASSISTANCE PROGRAM

DEAR TRAVELER,

Since with our founding in 1969, Homeric Tours has been providing travelers with the most memorable travel experiences in the Mediterranean. As the largest U.S. tour operator to Greece, it is only natural that we expand to other nearby countries, hence this, our newest Italy brochure.

Through our five decades in business and the ever-changing travel industry, Homeric Tours has remained true to our founding principles of providing value and service unmatched anywhere.

Why book your vacation with Homeric Tours? For the security of knowing you have a partner nearby to ensure your satisfaction. Whether it is something as simple as notifying you of a schedule change on a flight, or recommending a favorite local spot, our travel specialists are ready to ensure a seamless experience for you and your travel companions. Unlike what will happen if you book your vacation components with separate companies online, you will never be on your own abroad with us. Homeric Tours representatives are always there for you. This brochure includes our well-planned package itineraries that we have developed over the years.

On a hosted itinerary you will be traveling mostly on your own but have the security of our staff behind the scenes to ensure the itinerary runs smoothly. On our Escorted itineraries you will be accompanied by Homeric personnel or tour guides throughout. We selected a few Mediterranean cruises onboard modern Norwegian Cruise Line ships highlighting the international cities of Barcelona, Cannes, Palma de Mallorca and Dubrovnik to combine the fascinating sightseeing and relaxation.

If one of the itineraries in this brochure does not capture what you're looking for, Homeric's travel specialists will gladly customize an itinerary just for you. In addition to this brochure, I encourage you to take a look at our website, as we often have information relating to specials, new packages or general information relating to the destinations we serve.

The year of 2020 marks the 51st season of Homeric celebrating the excellence in travel and we are thrilled to present this Italy brochure, containing new vacations with the highest standard of quality in the market. We hope these journeys excite you as much as they did us while we created them. We guarantee that you will find only the best service, experience and value when traveling with Homeric Tours.

AIRLINES USED BY HOMERIC TOURS:

Hosted Packages

In order to know the destination you have to mingle with the locals. You have to have time to enjoy a meal at a local restaurant. You must have an opportunity to learn, at least a few words in a foreign language... which, in Italy, means talking with your hands. At the same time, you have to have a feeling of security that you can ask a question or have someone who can suggest a tour or activity suitable just for you. Our hosted packages combining Rome, Florence, Amalfi Coast, Venice and Sicily are designed to be a perfect combination of both. Giving you guidelines and assistance, as well as securing all travel arrangements, while allowing ample free time to design your own memories. Always knowing that assistance is only a phone call away.

Group Travel

Group Travel with Homeric Tours.

Our Strength and our Passion.

Creating and executing a great group travel experience is almost an art. You need to create a program that appeals to a large number of people. You need to do it within the budget they can afford. You need to be able to reach enough people to sell it and after all of that you have to execute the program flawlessly with a special touch of magic and patience that would make them come back to travel with you next year. Luckily we have been perfecting that art for 50 years and we can share our experience with you. Not only the experience, but also the network of trusted partners around the world. We have an unlimited library of the itineraries and ideas sparked with the group exclusive experiences. We make the booking easy with clear and easy payment policies. We are small enough to ensure the personal touch and big enough to utilize our buying power. Please have a look at our dedicated Group Brochure and Special Group Faith Brochure. Become a part of the 50th year young tradition by letting us design your group experience.

It starts with as few as 15 people and a phone call.

Homeric Experiences

What does it mean to be the Travel Expert? In our opinion it means to be able to craft a travel experience that awakens all your senses. It inspires your imagination, builds up your curiosity, satisfies your appetite and still leaves you hungry for more... To be able to create not only memories, but also to enrich your life. To be able to connect with those close to you while spoiling you a little bit...

In Italy travel experiences that are one of a kind can be designed as harmoniously as the music of Giuseppe Verdi or Giacomo Puccini. And, since we are talking about music, how about letting us design a special tour of the famous La Scala in Milan or experiencing a heart stopping performance of one of the Italian operas at the ancient amphitheater in Verona. One can also visit a workshop of a violin virtuoso Stradivarius in Cremona, as well as visiting the factory of another Italian maestro – Enzo Ferrari. Certainly we cannot forget about winemaking and food cooking classes in Tuscany, Umbria, Veneto or Sicily... In Italy, anything is possible... as the book title says: "Eat, Pray and Love"... We can tell you what to Eat, where to Pray and how to fall in Love with Homeric's Italy.

A group of people, including a blonde woman in the foreground pointing upwards, are looking up at a historic stone building in a town square. The scene is bright and sunny, with warm tones. The woman in the foreground is wearing a blue and white striped shirt and a blue lanyard. Other people in the background are also looking up with interest.

SMALL GROUPS

Escorted Tours

Some people like having all things planned for them. They like to wake up, knowing what the days is going to bring and that someone is there planning the daily activities, checking all the arrangements and is ready to answer questions. Our escorted tours offer just that. Our experienced Tour Leaders not only know their homeland Italy, like their own backyard – but also are passionate about introducing it to Homeric guests. We picked perfect itineraries to combine sightseeing with relaxation. We carefully selected the hotels and restaurants to create a one of a kind experience. We also thought about avoiding the impersonal travel in a large group, so our Escorted Tours are going to accommodate maximum of 16 people... Turn the page, start reading, it is all ready for you... you can simply pack and relax. Let us do the rest.

INSURANCE: Homeric Tours is not responsible or liable for loss, damage or theft of luggage or personal belongings, or for personal injury, accidents or illness while on tour nor is Homeric Tours responsible for any type of trip interruption.

REFUNDS AND CANCELLATIONS AFTER DEPARTURE: Once the tour commences NO REFUND will be made for unused features or voluntary modifications made by the tour participant.

REFUNDS: Applications for refunds must be submitted in writing to HOMERIC TOURS, INC, within 15 days of tour termination. Processing will take from six to eight weeks from the date HT receives relevant documents. There will be no refunds for unused package tour services or features, including missed transfers due to airline changes and/or missed flights, unused meals, missed sightseeing tours, unused entrance fees and accommodations.

PASSENGER NAME: Passengers are responsible to ensure that the names printed on the invoice exactly match the first and last name written in their passport. Any name change may require airline reservations to be canceled and rebooked. Reservations are subject to availability at the time of rebooking. Passengers will be required to pay airlines rebooking fee of up to \$350 plus the difference in the airfare (if applicable). Homeric Tours will not be held responsible for the denial of services by a carrier due to any name discrepancy. **SPECIAL REQUESTS:** We will be happy to advise hotels and cruise lines of any special request.

AIRLINES: Once issued, tickets are nonrefundable. Foreign airline schedules and flights are subject to change without notice. Airlines reserve the right to demand immediate issuance of tickets whenever they determine that necessary. In that case, HT will require immediate full payment of the airfare portion and taxes. This situation overrides invoice terms and conditions and payment due dates. If full payment is not received, seats will be cancelled by the airline and may not be available to be rebooked on the same flights or at the same airfare. Any replacement of air arrangements and any additional cost of airfare will be the sole responsibility of the passenger.

HOTELS: Hotels accommodations will be provided in accordance with the itinerary or similar. We reserve the right substitute hotels of equal category. All rooms are twin-bedded rooms with private facilities, unless an upgrade was requested. Room selection is at the discretion of the hotel. Triple rooms consist of a standard twin bedded room plus a sofa, folding bed or cot for the third person.

BAGGAGE: The less you bring with you, the better; we recommend that you take along one suitcase per person, plus a small overnight bag. On land, due to limited motor coach capacity, we request that only one bag per person be carried on motor coaches. If additional baggage is carried (other than overnight bag) a supplementary charge of \$2.00 per additional suitcase per "lift" will be levied according to the number of lifts. Baggage charges apply according to each airline's rules. You may visit the foreign airline's website to view the specific baggage fee information. Baggage is carried at owner's risk and baggage insurance is strongly recommended.

PORTERAGE: Porterage of one suitcase per person is provided in our tours. However you should know that strict security precautions in Greece, especially going through Customs inspections, on entry or exit points, demand that you carry your personal piece of luggage for

the Customs official. This procedure is seriously enforced in Greece and there are no exceptions to the rule. We ask that you bring with you only a small carry on piece and one suitcase. Both pieces you should be able to carry on your own, where necessary, when the law, for your own protection, demands it. This will be in Customs and security areas such as at ports and airports. Our own people will be there beyond these areas to assist you. Also portage is not always available on the islands and especially in Santorini.

PASSPORTS AND VISAS: United States citizens require a valid passport. It is recommended that the passport is valid for at least (6) months after travel. It is recommended that ALL participants check with the appropriate Consulates to determine if any visas are required. Those taking one of our Egypt and/or Turkey tours require a visa and should obtain one prior to departure. **IMPORTANT:** Passengers requiring a Schengen visa MUST have a multi entry Schengen visa.

PRICES IN THIS BROCHURE: All prices quoted in this brochure are based on land/cruise rates and exchange rates in effect at the time of printing and include the cost of Tour Operator planning, operation and mark-up. Prices do NOT include: PORT TAXES, tips to guides and drivers, laundry charges, room service charges and items of a personal nature. Because of space limitations, wheelchairs and walkers cannot be carried on motor coaches. Please note that some of our tours require a lot of walking and moving around.

TIPPING: On land, tips are not included in any of the tour packages and are left at the discretion of each participant. While cruising, passengers on Variety's Harmony V wishing to express their appreciation should give their gratuities to the Chief Steward at the end of the cruise which in turn are distributed to the service personnel in accordance with established practice. Recommendations from the cruise lines are \$10-\$12 per person per day. Tipping for Celestyal Cruises personnel is included in the port taxes.

TOUR DOCUMENTS: Final documents are mailed, provided that we have full payment two weeks prior to departure date. Otherwise, electronic documents will be issued. One set of documents will be mailed per reservation. Documents may be sent to additional addresses for a \$20 fee per address. Should final payment be received fewer than 60 days prior to departure, a \$20 overnight mail fee will be applied to your invoice. This amount must be paid in full before documents can be released.

AIR-CONDITIONING: Please be advised that foreign air conditioning systems in public places, hotel and motor coaches are not up to USA standards.

ACCEPTANCE: Payment of deposit or full payment shall be deemed as consent by the passenger to the above conditions.
