DEAR TRAVELER,

Since with our founding in 1969, Homeric Tours has been providing travelers with the most memorable travel experiences in the Mediterranean. As the largest U.S. tour operator to Greece, it is only natural that we expand to other nearby

countries, hence this, our newest Italy brochure.

Through our five decades in business and the ever-changing travel industry, Homeric Tours has remained true to our founding principles of providing value and service unmatched anywhere.

Why book your vacation with Homeric Tours? For the security of knowing you have a partner nearby to ensure your satisfaction. Whether it is something as simple as notifying you of a schedule change on a flight, or recommending a favorite local spot, our travel specialists are ready to ensure a seamless experience for you and your travel companions. Unlike what will happen if you book your vacation components with separate companies online, you will never be on your own abroad with us. Homeric Tours representatives are always there for you. This brochure includes our well-planned package itineraries that we have developed over the years.

On a hosted itinerary you will be traveling mostly on your own but have the security of our staff behind the scenes to ensure the itinerary runs smoothly. On our Escorted itineraries you will be accompanied by Homeric personnel or tour guides throughout.

If one of the itineraries in this brochure does not capture what you're looking for, Homeric's travel specialists will gladly customize an itinerary just for you. In addition to this brochure, I encourage you to take a look at our website, as we often have information relating to specials, new packages or general information relating to the destinations we serve.

During these uncharted times, which include continual changes in testing protocols, travel requirements, and potential changes in travel arrangements, it has never been more important to travel with a reputable company. Whether it is advising you on Covid protocols, arranging testing, notifying you of a schedule change on an international flight, re-routing an island-hop due to weather or recommending an optional excursion when greeted at your hotel upon arrival, our travel specialists and international infrastructure are in place to ensure a seamless experience for you and your travel companions. We pride ourselves on our customer service and attention to detail.

The year of 2022 marks the 53rd season of Homeric celebrating the excellence in travel and we are thrilled to present this Italy brochure, containing new vacations with the highest standard of quality in the market. We hope these journeys excite you as much as they did us while we created them. We guarantee that you will find only the best service, experience and value when traveling with Homeric Tours.

A woman with short blonde hair, wearing a straw hat and sunglasses, is looking down at a map she is holding. She is wearing a dark blue polo shirt. In the background, there is a tall, reddish-brown stone tower with a clock face, and another similar tower to the right. The sky is clear and blue.

In order to know the destination you have to mingle with the locals. You have to have time to enjoy a meal at a local restaurant. You must have an opportunity to learn, at least a few words in a foreign language... which, in Italy, means talking with your hands. At the same time, you have to have a feeling of security that you can ask a question or have someone who can suggest a tour or activity suitable just for you. Our hosted packages combining Rome, Florence, Amalfi Coast, Venice and Sicily are designed to be a perfect combination of both. Giving you guidelines and assistance, as well as securing all travel arrangements, while allowing ample free time to design your own memories. Always knowing that assistance is only a phone call away.

A group of four young adults are walking through a narrow, historic street in Italy. They are all looking upwards with expressions of awe and interest. In the foreground, a woman with blonde hair, wearing a light blue and white striped shirt, has her right arm raised and is pointing her index finger towards a building in the distance. Behind her, a man in a light blue shirt and a woman in a pink and white striped shirt are also looking up. To the right, another woman with blonde hair, wearing a blue and white floral top, is smiling and looking up. The background shows the warm, terracotta-colored walls and arched windows of old Italian buildings. The overall atmosphere is one of a pleasant and informative tour.

Any replacement of air arrangements and any additional cost of airfare will be the sole responsibility of the passenger.

HOTELS: Hotels accommodations will be provided in accordance with the itinerary or similar. We reserve the right substitute hotels of equal category. All rooms are twin-bedded rooms with private facilities, unless an upgrade was requested. Room selection is at the discretion of the hotel. Triple rooms consist of a standard twin bedded room plus a sofa, folding bed or cot for the third person.

BAGGAGE: The less you bring with you, the better; we recommend that you take along one suitcase per person, plus a small overnight bag. On land, due to limited motor coach capacity, we request that only one bag per person be carried on motor coaches. If additional baggage is carried (other than overnight bag) a supplementary charge of \$2.00 per additional suitcase per "lift" will be levied according to the number of lifts. Baggage charges apply according to each airline's rules. You may visit the foreign airline's website to view the specific baggage fee information. Baggage is carried at owner's risk and baggage insurance is strongly recommended.

PORTERAGE: Porterage of one suitcase per person is provided in our tours. However you should know that strict security precautions in Greece, especially going through Customs inspections, on entry or exit points, demand that you carry your personal piece of luggage for

the Customs official. This procedure is seriously enforced in Greece and there are no exceptions to the rule. We ask that you bring with you only a small carry on piece and one suitcase. Both pieces you should be able to carry on your own, where necessary, when the law, for your own protection, demands it. This will be in Customs and security areas such as at ports and airports. Our own people will be there beyond these areas to assist you. Also portage is not always available on the islands and especially in Santorini.

PASSPORTS AND VISAS: United States citizens require a valid passport. It is recommended that the passport is valid for at least (6) months after travel. It is recommended that the passport is valid at least (6) months. For other countries see page 50.
