Why Homeric Tours is the Best Choice to Italy

What a trip Italy was! Over a month later, and we are all still in love! Every detail of the trip was perfect! Both hotels were beyond gorgeous, in perfect locations, safe, amazing staff and made us feel welcomed. Every guide we had was better than the next! They were on time (even early), spoke wonderful English, incredibly knowledgeable and made us feel like we knew everything we would want to know. The drivers were fantastic! Got us where we needed, were easy to recognize, offered shopping and restaurant tips, gave commentary where needed and very pleasant to spent time with. Each excursion was breathtaking. We are still in awe of the Amalfi coast and what we experienced first hand! The dining, boat trip, private tour,.... The cooking class!!! Rome was perfect. We walked, felt like locals and enjoyed having Italian wine and food! The sights were bucket list items that I'm thrilled we experienced together.

– **KERI R., WYCKOFF, NJ**

Thank you for all the work you did in organizing our trip. We had a great time, even the weather was beautiful, spring time. I likes the hotel very much - pretty and well located . The breakfast was very good too. The tour guide in Rome was very nice and fluent in English and Spanish. The day in Florence was good too ; well organized and the tour guide gave us a good tour of the city and The Academy. Thank you for everything it worked out perfect. For the short time that we had we got the most. Very well planned! – **MERCY H., REGO PARK, NY**

I just wanted to thank you for everything you arranged. It was so smooth and well-orchestrated. We were taken care of at every turn and the service was great thru Homeric. Big thanks and appreciation for your help!!

– **ROBIN S., SPRING CITY, PA**

I wanted to tell you about the exemplary customer service that I received from your representative who assisted me with my reservation. I was so impressed by her professionalism, attention to detail, constant communication, and ownership of the reservation, that I felt truly compelled to tell you how pleased I was with her service. The Homeric representative was a tremendous asset in making this trip as easy as possible. Based on this experience, I can say without hesitation that I will have no issue contacting Homeric in the future, when I have a client who needs a trip to any of the destinations offered by Homeric Tours.

Milan

Milan is also known as a fashion capital of the world, due to the International Fashion Week held there every year in September. But the city has much more to offer. Its magnificent Duomo and world famous opera house of La Scala are only two of the places that nobody should miss during their stay. The city is only a short drive away from the charming Italian lakes of Como and Maggiore nestled at the foot of the Alp mountains. A short stay in the city can be made even more Italian if you decide to attend a soccer game of one of the European giants – Inter or AC Milan.

This situation overrides invoice terms and conditions and payment due dates. If additional baggage is carried (other than overnight bag) a supplementary charge of \$2.00 per additional suitcase per "lift" will be levied according to the number of lifts. Baggage charges apply according to each airline's rules. You may visit the foreign airline's website to view the specific baggage fee information. Baggage is carried at owner's risk and baggage insurance is strongly recommended.

PORTERAGE: Porterage of one suitcase per person is provided in our tours. However you should know that strict security precautions in Greece, especially going through Customs inspections, on entry or exit points, demand that you carry your personal piece of luggage for

the Customs official. This procedure is seriously enforced in Greece and there are no exceptions to the rule. We ask that you bring with you only a small carry on piece and one suitcase. Both pieces you should be able to carry on your own, where necessary, when the law, for your own protection, demands it. This will be in Customs and security areas such as ports and airports. Our own people will be there beyond these areas to assist you. Also portage is not always available on the islands and especially in Santorini.
